PRESIDENT'S ADDRESS

Four years ago, like all entering Freshmen, we enrolled at Enfield with great trepidation, awed by the thoughts of the tasks that would confront us here. Four years of grinding and refining have given us a confidence to meet the tasks that face us in the future.

We have attained from our fine school one of the two instruments with which we can fulfill our ambitions. This attainment is knowledge. The other with which knowledge must work hand in hand is experience. This we will acquire as we carve out our respective careers. It can not be found in books, as the former, but it must be found in our contacts with life.

The influences which have molded us during our past years here shall be felt strongly even when we have reached our fondest goal, and these influences will play a major part in helping us toward success.

To have been members of the class of 1950 has been perhaps one of the greatest privileges we shall ever know. To have the privilege of studying under such kind and provident tutelage has been encouraging to all of us.

To you, my classmates, this is farewell. It is tendered with mixed feelings—happiness in the thought that each one of us has successfully completed the course here in Enfield and regret in the thought that our daily associations as a class must end.

Sincerely,
EDGAR GORMAN, JR.

1960 ALUMNI NEWS REPORTS

OF

THE CLASS OF '50

Edgar Gorman, distinguished member of the President's Cabinet, has just opened his mail and found a copy of the 1960 Enfield Alumni News. He sets aside the important affairs of the Union to reminisce. Among the items of interest are:

The thriving metropolis of Scitico boasts of a newly erected gymnasium with *Frank*, Charles Atlas, *Arciszewski* as instructor. He specializes in muscle building and ways of self defense. If interested call 1-000.

The Strand Theater has changed hands and is now run by two dignified business women, *Susan Granger* and *Ruth Hayden*.

The hidden talents of the Class of '50 reveal *Bob Persano*, a literary editor with a national magazine, writing under the pen name of Guendaline Hotenhymer. He advises the broken hearted and love-lorn.

The famous policewomen, *Jeanne Cote* and *Anna Kalogiros*, have made incredible advances in the field of crime detection. They hold the record for the highest number of criminals apprehended.

The Jet-Mobile that has revolutionized the automobile industry was designed and built by *Frank Ashland*. He credits the 1950 Chemistry Class for the idea.

Jacqueline Gagne, after playing the stock market successfully for ten years, has settled down and is doing a remarkable business selling rugs.

Joe Russotto has joined his father in business. Although his father is a barber, Joe is in the toupee business. His father takes it off, and Joe puts it back on.

Frank Sevarino, ambition personified, has finally completed school and has been admitted to the bar. He took a four-year correspondence course on "How to be a Bartender."

Theresa Cassamassa is doing a booming business in New Haven. She inherited considerable stock in the Winchester Arms Corporation.

Carlo Bastile is playing the lead in the picture, "The Worst Comic in Town." They say it is a natural.

St. Francis Hospital in Hartford has as its new supervisor *Jean Rec*. If you are ill, there isn't a nicer place to spend your time.

James Devine, that handsome brute, has *Eleanor Trapanese* and *Lena Nicotra* dangling by strings. He can't make up his mind which is the better secretary.

An explosion occurred on Friday, the thirteenth—an unlucky day for *Carolyn Miller*. She mixed a little too much nitric acid to her solution and blew up the Laboratory at Colby College where she had enrolled for advanced study.

George Smyth has uncovered a million dollars worth of sunken treasure for the United States Government. Smyth's ability to dive, and *Ann LaVoi's* equipment will earn them a handsome bonus for this piece of work.

A new sensation in modern art was released recently. The paintings have astonished art critics all over the world. The creator of this work is *Thornton Young*.

Ronald Brown and *Robert Furey* have finally made the Springfield Indian Pro Hockey Team after a ten year attempt. Their one drawback was that they were always in the penalty box.

Claire Plamondon has become well known since writing "The Road to Peace." It has sold over five million copies in one week.

Joy Underwood, who started as an assistant to our favorite dentist, *Iva Stevenson*, received her first patient last week. The patient was to be fitted for a set of false teeth, but when he heard Joy's knees knocking from nervousness, he thought it was his new false teeth and made a dash for the nearest exit.

Word has been received that *Robert Tanguay* has become a millionaire. Bob discovered oil in his father's truck.

Chain-store owner *Tom Whiteley* has recently bought out the last rival concern that stood in his way. This concern was the Community Market in Thompsonville, Connecticut.

"Hippo" *Triola*, 1950's "Best All Around Boy," has won the hearts of his superiors and now holds the title of Admiral Triola in the U.S. Navy.

Nelson Redfern's hobby of dabbling in snap shots has developed into a paying proposition. He is one of the higher paid executives with M.G.M.

Robert White and *Bob Stetz* are competing for the national title in the Stock Car Races. Bob holds the 100 lap record and Robert holds the 50 lap record. Both have been fortunate not to have had any serious accidents when you consider their reckless daring in heats.

Ronald Jansiewicz has attained his one and only ideal. He is President of the "Loaf and See More Club," a club open to all interested in this profession. His staff of private secretaries include *Frances Juniewicz*, *Virginia Mullen*, and *Helene Tierney*.

A great star was born on Broadway, Saturday the fourteenth. He took the lead in the play, "The Flea and the Fly, They Flew." This famed actor is *Philip Hapgood*.

It was recently announced that *Ray Knight* and *Bob Sokol* have made the All American Basketball Team. Both have been high scorers in the minor leagues with an average of forty to forty-five points a game.

Allyn Edwards has become a traveling salesman handling beauty cream. Allyn takes *Antoinette Casiello* along with him to demonstrate his product. Antoinette has been voted the "Girl with the Smoothest Skin" for the year 1960.

James Agro has opened a dancing studio. James gives individual lessons on anything from the Charleston to Jitterbugging. His motto is "What Gable was to Grable, Argo is to Sway-a-ble."

Our new Senator from Connecticut, *Amber August*, is making history. There's a feud going on between her and *William Noll*, Senator from Massachusetts. Noll says, "A woman ought to sweat over a stove and not the government."

Vincy Basile invites you to bring your nerves and ailments to her established sanitarium. Her original curing methods guarantee perfect relaxation.

Mr. *Donald Crabtree* is now physical director at "Camp Don't Wake-Me-Up." Spend a few days with him, and you will have that renewed, good, old "Zipp."

Station WACE introduced a new commentator *Mae Dunne* on the topic of the "Flying Disc." Her theory is that they are frying pans thrown by frustrated wives.

Mario Gallo, the daring tester for the United States, has done it again! He went over Niagara Falls skiing on two toothpicks.

June "Muscles" Higgins, the world's greatest woman wrestler, has retired. Her general manager, *Edward Krawiec*, "The Mouse," who has been sporting a racoon coat, a new cane, and a Derby hat, is now unemployed and seeking work.

Ralph Cerrato has just come up with a new invention—a permanent wave for men. *James Sharon*, the world famous face lifter, was among the first to try it. He is now wearing a toupee. (A straight one at that.)

Pasquale's Restaurant, "Spaghetti Specialists," has a new proprietor, *Charles Porcello*. Charlie claims he spends all his time making meat balls. Besides this, he sponsors *Constantino Sacco*, who plays the leading part of *Luigi Basco*. Who do you think Rosa is? None other than petite *Maria Tammaro*, who portrays the role perfectly.

Mary Zawistowski, now Mrs. Smyth, has finished her tour of the Orient, and is ready to settle down. *Cora Vivier* has been appointed to entertain her with some relaxing ballet, while *Rose Mancuso* has her hands full with the little Smyths. *Frances Wolodko* finally has enough strong, healthy girls to start her basketball team.

Rhoda Hastings has copped the Olympic High Diving Contest for the United States. When asked the secret of her success, he replied with this statement, "My father told me, when I was young, to swim like a fish and dive like a brick. I simply followed his instructions."

Shirley Williams has opened her own designing and dress-making shop. The New Look you see on the women of today illustrates her new creations.

Edward Bajek was on the committee to decide upon "Gorgeous George of 1960." The title was awarded to *John Frangiamore*. Every morning he eats a few large grapefruits because his favorite model, *Mary Rowan* advertises them.

It has been rumored that the influence of *Edward Carlson* and all his little Carlsons has brought the "Hazardville Powder Kegs" into the American League. They found that *Richard Wolodko* was also in the League.

Joan Chappell and *Rose Marie De Ford* have formed a partnership, "No-Man's Land," specializing in Pizza and Chow Mein. *Lottie Percoski* and *Ann Lorino* supply the Bromo Seltzers as you leave. "Gen" *Scavotto*, *Lena Siana*, and *Rose D'Addabbo* are the ever-faithful bouncers. *Nancy Hawthorne* is famous for her West Wallop Boogie-Woogie number.

Laurence Watson has been a frequent court attendant. It seems that his chickens have been trampling down other people's property. It was a good thing *Janet Wyman* was court stenographer. He received only 330 days. Judge *Theodore Godard* plans to take a much-earned two-weeks' vacation at the completion of this trial.

In answer to an ad, "A Dollar an Hour and All You Can Eat," *Tommy Ragno* and *Ray Pelton* found themselves employed. Little did they suspect that they would be driving a garbage truck.

Jane (Babe) Wenc, the human spark-plug, can be seen hustling along the halls of St. Francis Hospital with a thermometer in one hand and medication in the other. She now holds the world's temperature record. Her model patient, *Belle Provencher*, ran one of 230°.

Incredible thought it may be, one of the shorter girls in the class of '50 has grown. *Phyllis Reino* now measures six feet and has made the All American basketball team. She averages 30 points a game. How about that?

For those of you who are gaining weight *Eleanor Bajek*, physical director at Enfield High School, advocates that her course will take off excess weight. All that one needs is strong will power.

Mrs. John K. Pendleton (*Carolyn Henry*), wife of the British Ambassador, still is patriotic to her alma mater. When last visited she was comfortably seated in a huge arm chair, clad in a green and white gown, munching on popcorn and listening to *Joan Campbell*, well-known violinist, play "As the Hours Go By."

Bill "Snappy" Cummings has become the proprietor of a bubble gum factory. His motto is "Blow Hard."

The book, "Let's Keep Talking," the second written by *Theresa Proulx* has been well received. Those who knew Theresa in high school can't believe that one so quiet could come forth with a best seller.

Donald Krusinski's ability with the accordion has found him a place in radio. His program can be heard nightly and is composed primarily of polkas.

One of the leading criminal lawyers of the day is *Jerry Noyes* (We Always Catch the Criminal). His private secretary is *Gail Anderson*. They both received their initiation in law at dear old Enfield High.

"Stay Thin and Like It" is *Ida Sarno's* latest contribution to the literary field.

Alfred King, a Yale alumnus, is raising bulldogs, that are on sale at all Yale games.

Sona Tatoian, a famous designer for a few exclusive shoppes in Hollywood, has designed the clothes for *Gregory Anderson* and his leading lady in their latest movie entitled "It Doesn't Matter How Big They Are."

Gregory Arvantely, President of Yale University, recently announced some changes in the faculty. *Thornton Bond* has been named music supervisor and *Bill Casey* was elected head football coach. *Alma Jane Shea* was appointed head of the School of Nursing.

For the first time in history, there has been a tie for the first place in the "Indianapolis 500," Labor Day racing classic. This honor is shared by *Blaine D'Arcy* and *Henry Kleszczewski*. Dare-devil *D'Arcy* drove an ancient Chrysler, and Cowboy *Kleszczewski* drove a combination Plymouth and Oldsmobile. The winner's trophy was presented to these men by *Ruth Zimmerman*, world famous beauty contest winner.

Preparations are being made for the inaugural ceremony of the country's first woman President, *Ann McNulty*. President McNulty's clothes are being designed by *Marilyn Holland*, world famous dress designer. It is rumored that at the ceremony, President McNulty will startle the world with her new hair-do created by *Mary Archetti*.

Edgar Gorman reluctantly sets aside the news bulletin and returns to the pressing matters of his office.

CLASS WILL

Friends, Members of the Faculty, and Mournful Underclassmen:

As attorney for the Honorable Class of 1950, it is my duty and privilege to read their last will and testament.

We, the Class of 1950, still sane and of exceptionally intelligent mind, do freely and without duress of any kind, hereby publish this, our last will and testament, declaring null and void all previous wills, testaments, and instruments heretofore made. We sincerely hope that these, our last earthly wishes, be carried out as hereinafter directed.

- ITEM 1. To the school, its faculty and administrators, we leave our most sincere thanks for the opportunity of attending this higher institution of learning.
- ITEM 2. To Mr. Tatoian, our beloved principal, we leave our heartfelt thanks for his sincere guidance of this unpredictable class.
- ITEM 3. To the Juniors, our successors, we leave the refined dignity which we have acquired through four years of perseverance in the struggle against every conflict and strife.
- ITEM 4. To the Sophomore Class, we leave samples of superior attributes of which we have an excess and which we no longer need—brains, beauty, and bubble gum.
- ITEM 5. To the Freshmen, the dear little Freshmen, we leave all the trials and tribulations which can befall any abnormal human being.

The following individual bequests are made in good faith, with the hope that they will be accepted in the same manner.

1. To Mr. Nigro, the guiding power of the Senior Class, we leave a recipe for a rest cure, which must be sorely needed by anyone having survived a year with us in Room 26.
2. Ruth Zimmerman leaves her attractiveness and dignity to June Nelson.
3. Bobby Sokol and Ray Knight leave their combined athletic ability to Danny DeGray and Walter Sokol. Come on, Boys! Keep up the good record.
4. Marie Tamarro bequeaths her lovely voice to the nightingale of the Junior Class, Pauline Wagner.
5. Bobby Persano, the dashing young ladies' man, leaves his way with the girls to Edward McCarthy.
6. Mr. Fowler's first period trig class leaves its sines and cosines to next year's mathematicians.
7. Gail Anderson bequeaths her cheerful disposition to that peppy little Freshman, Statia Wojcieszek.
8. Ralph Cerrato leaves his touchdown honors to the Enfield High football star of 1951.
9. To the whole student body are left the seats in study hall, with ample supply of gum stored beneath the desks and wads of paper packed in the inkwells.
10. Marilyn Holland leaves her intellectual capacity to Ann Hines and Anna Knapp.

11. To Alex Miller, Gregory Anderson, the "shortie" of the Senior Class, leaves a few inches. We know that Greg will not mind giving up a few.
12. Jane Wenc leaves her beaming smile, which glows with kindness to Janet Wojcieszek.
13. Frank Severino bequeaths his excellent dancing ability to Brad Davis.
14. Carolyn Miller, Belinda Provencher, and Mary Zawistowski leave their ability to get into Room 26 a minute before the last bell to anyone who may wish words with Mr. Nigro.
P. S.—We cannot forget Carolyn Henry, who manages to enter the door a second after the last bell.
15. Gregory Arvantely bequeaths his scientific brain to Robert Stimets. However, Bobby will have to strive hard to maintain Greg's outstanding scholastic record.
16. Mary Rowan leaves her charm and popularity to Marion Morgano.
17. Our future farmers, Lawrence Watson and James Devine, leave all their books on raising chickens to any future poultry student. However Larry will be sure that Janet will remain with him.
18. Theodore Godard leaves his artistic ability to Barbara Rossi and John Henry.
19. Sebastian Triola, known to us all as "Hippo," leaves his eccentric laugh and witty jokes to Billy Olschafskie.
20. The inseparable trio, Eleanor Bajek, Frances Juniewicz, and Vincy Basile leave their undying friendship to Marion Tenerow, Helen Korona, and Doty Kaczynski.
21. To Miss Crombie, her Chemistry students leave a gas mask, hoping that she will find it of some protection against the experiments of her mad chemists.
22. Phyllis Reino leaves her athletic ability to Joanne Gatto.
23. Tommy Ragno leaves his quick thinking to any master-mind who has the time to stay up all night planning the following day's excuses and questions.
24. To the school, we leave the driving car, or what remains of a car. To Mr. Staszko, our patient driving master, we leave our sympathy for the many gray hairs we have caused.
25. Janet Wyman bequeaths her good nature and helpful hand to any one who can measure up to her standard of sociability.

In witness thereof, we, the Class of 1950, set our hand and seal the fifteenth day of June in the year of our Lord, one thousand, nine hundred and fifty.

CLASS HISTORY

The time has come for us to look back upon the events of our high school years—years which have been filled to overflowing with the day by day activities of working and playing together. Our memories form a pattern of light and dark, gay and serious, as we examine the tapestry of these years.

Let us look back to that memorable day in September, 1946, when we entered this school as Freshmen, and let us glance at some of the highlights of that year. We remember with pleasure the cordial welcome given to us by the Seniors at the Senior-Freshman Reception. Following this event our class was officially organized with the following officers: Sebastian Triola, President; Philip Hapgood, Vice-President; Ruth Zimmerman, Secretary; and Shirley Williams, Treasurer. Our first year passed swiftly. June found us looking back on the wealth of subject matter which we had covered and feeling that we were now an integral part of the school organization.

After a summer vacation we returned to Enfield as Sophomores and settled down to work. Sebastian Triola was again elected President and his co-workers were Thomas Whiteley, Vice-President; Ruth Zimmerman, Secretary; and Shirley Williams, Treasurer. During this year we were proud to have Marilyn Holland represent our class in the annual dramatic production, *A Date With Judy*. Also the Hi-Y Minstrel, *Show Boat*, featured Marie Tammaro and Amber August, with many other Sophomores supporting the chorus.

As "Jaunty Juniors" we again elected Sebastian Triola, President; Thomas Whiteley, Vice-President; Janet Wyman, Secretary; and Marie Tammaro, Treasurer. The football team of this year made history for Enfield, because for the first time we enjoyed an undefeated season. Our class takes pride in knowing that our athletes contributed toward this achievement. In the spring all attention was focused on the semi-formal Junior Prom, *Maytime Frolic*, with Edgar Gorman as General Chairman and Lawrence Watson and Janet Wyman as Host and Hostess. Dancing to Eddie Abrahamson's music among the spring flowers made a delightful evening. Again this year our class offered Amber August, Buddy White, and Marie Tammaro as soloists in the annual Hi-Y Minstrel, *Mardi-Gras*. The junior year came to an end with the enjoyable Farewell Prom. As we entertained the departing Seniors, Jane Wenc and Sebastian Triola presided as Host and Hostess.

When we entered the halls of Enfield High School last September, it was difficult to realize that we were finally Seniors. The Senior-Freshman Reception was the first event of the year. This time we entertained the Freshmen and worked hard to offer them the same welcome which had been shown us three years before. At the head of the class this year were Edgar Gorman, President; Philip Hapgood, Vice-President; Ruth Zimmerman, Secretary; and Gregory Arvantely, Treasurer. The athletic powers of our class were displayed on the football field by Mario Gallo, Alfred King, Thomas Whiteley, Edward Carlson, Bob Stetz, Ralph Cerrato, Sebastian Triola, Jerold Noyes, Robert Persano, and co-captains Lawrence Watson and Bob Sokol. The annual school play, *Jenny Kissed Me*, was very successful. Nancy Hawthorne, Carolyn Henry, and Amber August aided greatly in making this a success. As part of our winter activities the Senior Prom, *Winter Fantasy*, gave us a vivacious evening together. Mary Rowan and Thomas Whiteley presided as Host and Hostess. The class is proud of Jane Wenc, who was the choice of the class and faculty for the annual good citizenship prize of the D.A.R. The athletic ability of our class was again demonstrated on the basketball court by Bob Sokol, Sebastian Triola, Raymond Knight, and Thornton Bond, and on the baseball diamond by Edward Carlson, William Casey, and Bob Sokol.

Our last year has been so filled with activity that almost before we realized it our Washington Trip was over and commencement has descended upon us. Now the goal for which we have been striving is at hand—we are graduating.

The activities of the class of 1950 are truly now history. We hope that we have played our part well.

— JANET WYMAN.
